## Mission

Hanford Mission Integration Solutions delivers mission integration, which introduces new innovations and technologies driving improvement of essential service delivery and enabling the One Hanford cleanup mission.

## Vision

- » Provide Hanford Solutions through Mission Integration to ensure safety first while increasing efficiency and effectiveness through our Service Delivery Model and Connected Enterprise while balancing priorities, navigating complexities and building consensus.
- » We will implement innovative Hanford solutions through the efforts of our diverse and talented workforce. We will empower our teams and contribute to our communities by delivering value, aligning and collaborating, transforming and governing, and consistently evolving and enhancing.

## Core Values

- » **Safety** - consistently improve site safety posture while protecting workers, the Site and the environment.
- » **Inclusion** - foster a sense of belonging with an awareness of value, connection, respect and equal access to opportunities.
- » **Motivation** - exceed customer and employee goals while maintaining work-life balance.
- » **Passion** - provide quality, transparency and a questioning attitude with a "proud but not satisfied" mentality.
- » **Learning** - enable growth, development and innovation with a sense of continual improvement.
- » **Ethics** - ensure integrity and high ethical standards, build trust and lead by example.
